

# THE JANE PLUS

Inside / outside living...

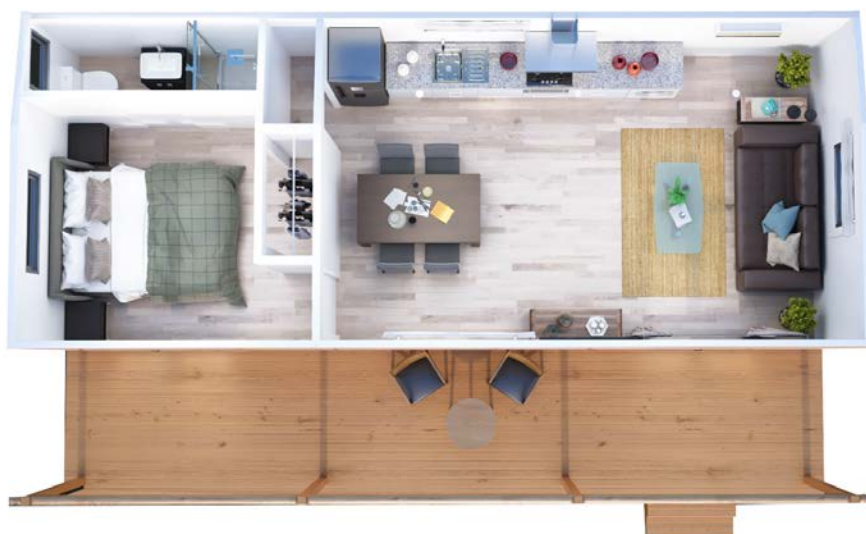

First home buyers / Holiday home

The Jane Plus offers you the added flexibility of a large open plan living space & separate bedroom which opens on to the front deck.

This design includes an ensuite bathroom and built-in wardrobe. Large windows and doors give an airy and contemporary feel. The classic lines and low sloping roof mean it will sit well within its surrounds. Will look good in the city, at the beach or in the country.

Our simple and sophisticated one-bedroom bach design hankers back to the classic Kiwi bach but encompasses modern comforts and privacy. There is plenty of natural light through the two sets of double doors which open onto the deck.
