

THE JANE

Perfect for the beach...

First home buyers / Holiday home

Our simple and sophisticated one-bedroom bach design hankers back to the classic Kiwi bach.

The low sloping roof allows for plenty of natural light. There are two sets of double doors opening on to the deck, one set from the living area and one from the bedroom.

The Jane will look good in any setting, as a first home on a small section in the suburbs, as a beach house or even a country getaway, where the strong and sturdy build quality will also suit a more rugged environment.
